

# How to Install the XTV App on Your Android TV Box

Stream effortlessly on your Android TV Box by following this step-by-step installation guide.

---

## 📖 Step 1: Open the Installation Guide

Click the link below using any browser on your phone, tablet, or TV:

📖 <https://xtv.ltd/billing/index.php?rp=/knowledgebase/1/Effortless-Streaming-How-to-Install-the-XTV-App-on-Your-Android-TV-Box.html>

---

## 📖 Step 2: Follow the Guide

- The page includes clear instructions on how to:
    - Download the XTV App for Android TV
    - Enable installation from unknown sources
    - Install and launch the app
    - Enter your login details to start streaming
- 

## 📖 Step 3: Download the App

- If the guide includes a download link, click on it using your Android TV browser or use a USB to transfer the APK from your computer
- 

## 📖 Step 4: Launch & Stream

- Once installed, open the XTV App
- Enter your IPTV login credentials
- Start enjoying high-quality live TV and on-demand content

---

**i□ Tip:**

If using a remote is hard to navigate, consider installing the **“Downloader” app** from the Google Play Store to make APK installation easier.
